On August 16, 2021, I, Inspector Melissa Petrillo REHI 1, visited the above address to conduct a routine DFD contract youth camp inspection. Upon arrival to the address listed, I was introduced to Ms. Ashshanae Cohen, YMCA Program Coordinator. Ms. Cohen informed me that the camp season ended 08/13/2021 because a camper tested positive for COVID-19. The camp was originally scheduled to close on 08/20/21. Ms. Cohen stated the camp would not be reopening for the remainder of the summer.

A youth camp inspection was not conducted.
